Section 1. Introduction

- 1.1 The following rules and regulations are officially cited as the "Nautica Soundview Condominiums House Rules, version **"06202022"** herein referred to as the "House Rules." The revised rules were approved by the Board on June 21, 2022 acting by unanimous written consent.
- 1.2 These rules become effective **when mailed to the owners.**
- 1.3 The revised House Rules supersede all previously published House Rules, but do not supersede any rules or regulations stated in the Declaration of the Nautica Soundview Condominiums Owners Association. The House Rules are intended to supplement the Declarations and Bylaws, and do not necessarily repeat all rules contained within those documents.
- 1.4 These Rules implicitly include all rules posted in the Common Areas.
- 1.5 These Rules shall be construed in accordance with and governed by the laws of the State of Washington, specifically the Condominium Act, RCW 64.34.
- 1.6 The Board of Directors reserves the right to amend these Rules and to add or remove other rules from time to time as may be deemed necessary for the safety, care, and cleanliness of the premises; and for securing the safety, comfort, and convenience of the occupants thereof. **Owners will be notified of and provided with revisions of the House Rules.**

The requirements for installing hard-surface flooring are found in the **"Resolution of the Board of Directors Regarding Hard-surface Flooring Policy."** Floors that are installed without the approval of the Board are subject to the enforcement actions outlined in Section 18.2.1 of the Declaration, which may include removal of the flooring.
